## Who we are?

AZIMU OMAR General Trading is a key importer and distributor for frozen, chilled, and dry foods in UAE market established in 2000. A privately owned UAE conglomerate with diverse business interests covering wide spectrum of industries. The establishment is also a UAE based international shipping and forwarding company and is AZIMU OMAR group of companies based shipping, trading, and Transportation Company.

## Mission

To be successful and maintain sustainable growth in today's dynamic market scenario, it takes one team, one vision, one philosophy and one game plan. And that's AZIMU OMAR group. Our commitment is to develop unique solutions to address our clients' needs. We are constantly innovating and improving to help our customers stay ahead.

## History

In 2000, we started our business by establishing a UAE based International Shipping and Forwarding company known as AZIMU OMAR SEA CARGO LLC with a branch in Germany, USA, Afghanistan.

A worldwide shipping and cargo services, door to door delivery both Air and Land. It has its own branch offices and partners both in inland city and port city and a Local Transportation.

By the year 2003, through the initiative of the Mr. Ahmad Tamim Omari – CEO/Director, he established a new company the GLOBAL MERCHANT GENERAL TRADING L.T.D. Operating in Kabul Afghanistan with a branch here in UAE. The company has twelve years of experience in providing and supplying a wide range of commodities to CIS countries, UAE, and in Afghanistan.

The range of supplies covers Military Use items and Uniforms, Construction Materials, Furniture and Office Supplies and other services, equipments needed in a certain company.

Being the sister company of AZIMU OMAR SEA CARGO LLC, we are offering shipping and forwarding services also.

Through the years, the company has provided the best customer services to all the clients by giving more what they need and treating them as a partner. As part of company's innovation a new business venture is created, AZIMU OMAR GENERAL TRADING which will now engaged in importing and supplying all the basic commodities in UAE.
